Message from CEO

Greetings and thank you for joining us in the 36th MWS Fellowship on the Greens (FOTG) Charity Golf Tournament!

MWS FOTG has been our annual flagship event since 1989. Besides gathering golfers for a time of fellowship, it is a platform to raise awareness and funds to support MWS causes. I would like to express my grateful thanks to all the golfers, donors, sponsors and Methodist churches for giving your time and resources to support our annual golf tournament.

This year, our goal is to raise $500,000 for MWS Nursing Homes, including the upcoming MWS Nursing Home in Eunos. Opening in the first quarter of 2025, this 171-bed facility will serve primarily chronically sick and frail people from low-income backgrounds and do not have any or poor caregiver support. Every dollar raised will be matched by the Government's Community Silver Trust, doubling the impact of every donation.

The opening of our latest MWS Nursing Home takes place amidst a rapidly ageing Singapore. Singapore is projected to become a super-aged society by 2026 in which 20% of our population are aged 65 years old and above. By 2030, this will rise to 25% or 1 in 4. The government has been intensifying efforts to meet the expected rise in demand for medical and nursing care. MWS believes we need to do more to address increasing mental health challenges that seniors face including caregiver stress and social isolation. We will be working through our continuum of eldercare services to ensure more will be done, particularly in caregiver support, befriending, training of volunteers and community outreach.

I would like to specially thank Bishop Dr Gordon Wong and Mr Seah Kian Peng, Speaker of Parliament for gracing the event as our Guest-of-Honour and VIP respectively and our key donors, Barker Road Methodist Church, Wesley Methodist Church, Lew Foundation, Paya Lebar Methodist Church and Robert Khan & Co Pte Ltd. My appreciation also goes to the Organising Committee chaired by Mr Soh Kok Leong and supported by Mr Teo Khoon Seng, Mr Lee Han Chuan, Mr Michael Khor, and Mr Yeo Kai Eng. Above all, we thank God for His providence and guidance through these 36 years.

"Let them give thanks to the Lord for his unfailing love and his wonderful deeds for mankind, for he satisfies the thirsty and fills the hungry with good things." Psalm 107: 8-9

Have a blessed time on the green!

Message from Organising Commitee

It is our privilege and honour to welcome you to the 36th MWS Fellowship on the Greens (FOTG). We are very heartened and encouraged by your support for MWS, and our appreciation goes out to all golfers, donors and sponsors for your generosity to make this year's event possible.

The annual flagship MWS FOTG is not just a golfing event, but also an opportunity to raise awareness of our mission to enrich the quality of life for the disadvantaged and distressed in our community. This year, we hope to raise $500,000 towards the running of our two MWS Nursing Homes, as well as the construction of our third MWS Nursing Home in Eunos. Every dollar raised will make a huge difference to the lives of our residents. MWS Nursing Homes are more than just a physical shelter, but a safe haven for those in need to find comfort, care and companionship.

Thank you again for your participation and contribution. Wishing you a memorable time and an enjoyable game!

Mr Soh Kok Leong

About MWS Nursing Homes

MWS Nursing Homes provide 24/7 residential care for the chronically ill and frail who are unable to care for themselves in activities of daily living, and do not have adequate caregiving at home.

MWS will be launching our third nursing home, MWS Nursing Home – Eunos, in the first quarter of 2025 to provide holistic and integrated care in the east region. Located within an integrated hub comprising SingHealth Polyclinic and the MWS Senior Care Centre – Eunos, the new nursing home has the capacity to care for up to 171 residents referred by the Agency for Integrated Care.

Through MWS Nursing Homes, MWS can provide care and support to residents and caregivers like Mdm Leong and Mr Davis.

Mdm Leong's Story

Mdm Leong has had a hard life. Neglected and parentified in her childhood, she started working early to earn her own keep. Mdm Leong survived her abusive marriage and found solace in her only daugher—her pride and joy—who was filial and thoughtful.

Her life changed overnight when her daughter disappeared without a trace. Left alone, Mdm Leong remained resilient in the face of adversity and sought help for a place to live. She was placed in MWS Nursing Home – Yew Tee. She began to flourish and is actively living her life in the community that has become her family.

"Her laughter is very infectious. You can see when she talks, she laughs a lot. She makes everybody very happy." – Gwen Goh (Medical Social Worker), describing Mdm Leong

Mr Davis' Story

Mr Davis is no stranger to the struggles of caregiving. Not only did he lose his beloved wife to stage 4 cancer, five of his siblings are afflicted with Myotonic Dystrophy, an incurable muscle degeneration disorder.

These experiences deepened his appreciation for the work of MWS Bethany Nursing Home – Choa Chu Kang (BNH), where his brother William was placed. Mr Davis not only felt reassured about the quality of care for his brother, he also felt the warmth and compassion of the staff. This inspired Mr Davis to volunteer his skills and contribute to the home in his own way. Mr Davis is confident that should he ever be the one in need of caregiving, MWS BNH will be there for him.

"I think I will be very happy to stay in MWS Bethany Nursing Home." – Mr Davis
